

Jessica Osborne-Stafsnes is the Grants and Program Development Director at the Humboldt Independent Practice Association and North Coast Health Improvement and Information Network. In these roles she manages grant and innovation projects for HIPA, NCHIIN, and community partners to advance the improvement of health and healthcare delivery in Humboldt County. She currently serves as the project director for Humboldt County's Community for Health and Perinatal Substance Use Disorder Initiatives.

Formerly the Project Director at Aligning Forces Humboldt, Jessica provided oversight of the day to day implementation of the Aligning Forces for Quality initiative in Humboldt County, in addition to serving as the project's patient engagement lead. A native of Humboldt County, Jessica graduated from George Washington University in 2013 with a Master's Degree in Healthcare Quality.
